Start the engines and shift into gear, our 2024 race season is here! We are very excited to announce that the Sierra Nevada Moto Championship (SNMC) will be hosting the MotoAmerica Mini Cup West Coast Qualifier Series along with our traditional series classes. Four traveling events will take place in Northern California and Nevada to give racers the opportunity to try new tracks and tackle new obstacles!

As we look towards the new race year, our sponsors and racers can gear up for an amazing race year that will include more race classes, more races and events, and more time on the track making memorable moments together. We are thrilled that our sponsors, along with our racers, will be getting significant exposure over 4 race weekends! Be sure to mark your calendar now and check facebook.com/SierraNevadaMotoChampionship for all upcoming events and updates!
