Start the engines and shift into gear, our 2024 race season is here! We are very excited to announce that Northern Nevada Kart Club Minimoto “NNKCMM” is hosting the 2024 Supermoto Championship. Last year we had over 120 different riders participate and this year we hope to gather even more interest in the community!

As we look towards the new race year, our sponsors and racers can gear up for an amazing race year that will include more race classes, more races and events, and more time on the track making memorable moments together. We are thrilled that our sponsors, along with our racers, will be getting significant exposure over 4 race weekends! Be sure to mark your calendar now and check nkcminimoto.com/nnkc_supermoto_championship for all upcoming events and updates!
